CENF TARIFF 100

**RULE**

**CHARGE**

**Arrival Notice – Notification (Item 602)**

Notification prior to delivery \$33.00 per shipment

**California Compliance Surcharge (Item 400)**

Shipments originating from, or destined to, the state of California will be subject to a surcharge due to higher operating costs. \$9.10 per shipment

**Collection on Delivery (COD) Shipments (Item 606)**

The charges for collecting and remitting the amount of COD bills collected is: 6% of COD amount but not less than \$72.00

Charge for changing COD Shipments \$59.00 per shipment

**Density Minimum Charge (Item 406.2)**

Shipments which qualify will be subject to a minimum charge using a “calculated” weight which will be determined by multiplying the cubic capacity of the shipment by six (6) pounds for each cubic foot or portion thereof.

The Density Minimum Charge will apply on shipments meeting the following conditions:

- Shipments with actual density of less than 6 PCF and which occupies more than 750 cubic feet of trailer space; or
- Shipments with adjusted density of less than 6 PCF and which occupies more than 750 adjusted cubic feet.

The minimum charge will be determined by multiplying the “calculated” weight by the applicable class 100 rate less the customer’s applicable discount percentage (if any).

Please see CENF Tariff 100 for information on specific charges, as well as examples of charge calculations.

**Detention – Vehicles with Power Units (Item 609)**

When, through no fault of the carrier, loading or unloading of a vehicle with power cannot be completed within the following free time: \$29.15 per each 15 minutes or fraction thereof

**Computation of Time (Item 609, Section 3)**

Computation of arrival time begins at time of appointment, or if no appointment required, when driver arrives at the consignor or consignee. Departure time at a pickup shall be upon completion of loading and a signed bill of lading. Departure time at a delivery shall be upon completion of unloading and a signed delivery receipt.

Actual Weight (in pounds)	Free Time (in minutes)
Less than 2500	20
2500 to 4999	30
5000 to 6999	40
7000 to 9999	50
10,000 and over	60

**Detention – Vehicles without Power Units (Item 610)**

Trailers “spotted” for loading or unloading - 24 hours free time on regular business day (not Saturday, Sunday, or holiday). Charge applies per calendar day after free time expires. \$75.00 per 24 hours

**Extra Labor (Item 626)**

Extra labor for loading or unloading \$77.00 per hour or fraction thereof for each carrier employee

## CENF TARIFF 100

**Extreme Length (Item 416)**

When shipments contain any shipping unit or piece with a dimension equal to, or exceeding, 8 feet in length, the following charges will apply:

8 ' but less than 12' =	\$85.00
12' but less than 20' =	\$150.00
20' but less than 28' =	\$250.00
28' or more =	\$350.00

These charges are in addition to the other applicable rates and charges.

This item will not apply on shipments subject to EXCLUSIVE USE, CAPACITY LOAD or CUBIC CAPACITY AND DENSITY rules, or to TL volume rates, and spot quote charges.

**Guaranteed Service (CENF102-A)**

Simply Guaranteed Time Definite Guaranteed Service is a guaranteed LTL transportation service for shipments between direct, domestic service points located within the Central Freight Lines direct service area and served via single line service in lanes identified on Central Freight Lines website as being eligible for this service. Eligible zip codes and transit times may be found under the Transit Time section of [www.centralfreight.com](http://www.centralfreight.com) on the day of shipment. CENF 102-A can be found at [http://www.centralfreight.com/portal/static/pdf/SimplyGuaranteedTariff\\_20180823.pdf](http://www.centralfreight.com/portal/static/pdf/SimplyGuaranteedTariff_20180823.pdf)

**Hazardous Materials (Item 638)**

Hazardous materials are described in American Trucking Association's Hazardous Materials Tariff (ATA 111). Fee is \$20.00 per shipment.

**High Cost Area Surcharges (Item 420)**

All shipments picked up from or destined to any of the defined areas and/or zip codes will receive an additional charge as defined in CENF Tariff 100. This charge will be in addition to all other applicable charges. Some areas where this charge currently applies: Boston, Chicago, Houston, Los Angeles, New York City, San Francisco, Seattle. Please see CENF Tariff 100 for a listing of specific areas where high cost area surcharges apply, as well as a listing of the specific charges.

**High Cost Area Surcharges (Item 420.1)**

For shipments picked up from or destined to Chicago's McCormick Place (Convention Center), zip 60616, a flat charge of \$203.00 will be assessed in addition to all other charges.

**RULE****CHARGE****Hydraulic Liftgate – Special Service (Item 445.2)**

Special Service – Hydraulic liftgate to be paid by party requesting service for whom the service is performed or guaranteed by the shipper

\$5.17 per cwt  
\$72.00 minimum charge  
\$248.00 maximum charge

**Inside Pickup or Delivery (Item 613)**

Inside pickup and/or delivery and at point not adjacent to vehicle

\$8.69 per cwt  
\$85.00 minimum charge  
\$550.00 maximum charge

**Labeling, Marking or Tagging Freight (Item 614)**

Marking or tagging freight

\$3.74 per package or piece  
\$55.00 minimum charge

## CENF TARIFF 100

RULE	CHARGE	
	Miles	Per Mile Rate
<b><u>Linear Foot Rule (Item 406.1)</u></b>		
When a shipment or combined portions thereof, requires 14 feet or more of loading space, the charges shall be computed by applying the following Mileage Rates:	1200 miles or less	17.0 cents / lineal foot
	Over 1200 miles	11.0 cents / lineal foot
<b><u>Non-Commercial Site, Construction Site, Limited Access, and Residential Locations - Pickup or Delivery Service (Item 617)</u></b>	\$5.23 per cwt	
	\$103.00 minimum charge	
	\$440.00 maximum charge	

- A. Private residences, apartment complexes, dormitories, farms, ranches, and other like locations.
- B. Businesses located at a private residence, apartment, dormitory, farm, ranch and other like locations.
- C. Individual (mini) storage units.
- D. Churches, rectories, parsonages, or any other place of worship or study.
- E. Schools, pre-schools, daycares, universities, or other academic locations.
- F. Commercial establishments not open to the walk-in public during normal business hours.
- G. Construction sites – site of construction of buildings, roads, bridges or other structures, including the entire premise where construction is taking place including delivery to any facility (such as warehouses, depots, supply houses or similar facilities) located on such property.
- H. Fairs or carnivals, amusement parks, chautauquas, expositions, trade or traveling shows.
- I. Prisons or other correctional institutions.
- J. Military base, installation, or camp
- K. Mine sites – site of any pit, excavations, shaft, or deposit at which coal, ore, or minerals are, have been, or will be extracted and will include the entire premises where the mine is located including delivery to any facility (such as warehouse, deposits, supply houses, triples or similar facility) located on such property.
- L. Camps (non-military), resorts, spas, or other similar locations which are situated in an area outside commercial, retail, or industrial zoned locations.
- M. Non-standard equipment: “non-standard equipment” refers to equipment such as a straight truck. This accessorial applies when the customer requests freight to deliver on a straight truck (if a location listed herein requires a straight truck, the fee applies only once.)
- N. Sites with extensive security processes.
- O. Other such locations not generally recognized as commercial locations.

**Protective Service (Item 236)**

Central Freight Lines does not provide this service. In the event Carrier inadvertently picks up any commodities of a perishable nature that require protection from heat or cold, Carrier will have zero liability for any loss and/or damage to those commodities.
